## Key features

### “MNW/HNW protection”

**Our ‘higher value’ Buildings and Contents policy, includes market leading cover and limits designed to suit mid to high net worth individuals with contents over £75,000.**

We have been providing property insurance products to a network of Financial, Insurance and Property Professionals nationwide for over 27 years.

We provide a friendly, professional service, coupled with a portfolio of good quality property insurance products, insured through some of the leading UK based Insurers and Syndicates at Lloyd’s of London.

Our products have been developed over the years, by sharing market experience between ourselves and our intermediaries. This has helped them prevent gaps in cover, ultimately delivering some of the most comprehensive policies in the market today.
